- Natural Scandinavian simplicity
- Natural mix of ash wood and matte metal
- Emits a precise downward light
- Removeable wood top

The minimalistic Tilo series oozes of Nordic elegance with the slim design and clean lines. The thin lamp head emits a precise downward light, and with the unmistakable character feature of ash wood and matte metal, Tilo is the perfect addition to the stylish and modern home.

The Tilo pendant in matte black metal comes with a removeable top in black painted ash. The pendant has great applicability - use it on a row above the dining table or kitchen island, to light up a dark corner in the living room, or beside the bed instead of a wall or table lamp. The lamp can be used with or without the wooden top.
